against Nathaniel W. Niles, the Boston veteran. Allen won the junior sectional tournament in the Pacific Northwest, and will now try his skill against sterner opposition in the national event.

The tournament committee plans to get the field of sixty-four players under way with a rush to-morrow, and each man will be called upon to play two rounds, thus reducing the number of survivors to sixteen before the sun sets. Matches in the first round will be started in the morning, sround 10 o'clock probably, and after stopping for luncheon the players will resume the struggle in the afternoon.

durance Test Arranged for Near Future

The thrity-mile Marathon swim in the Hudson River, proposed by Robert Dowling, of this city, for September 0, gives every indication of developing into one of the greatest competitive tests of endurance ever witnessed. Charles Toth, of Boston, who holds the American time record of 15 hours 47 minutes for continuous swimming, has given definite assurance that he will of the national patriotic doubles lawn start against Dowling, and Raymond. given definite assurance that he will start against Dowling, and Raymond Boyle, Pittsburgh's leading distance man, has virtually promised his entry, while three or four other crack performers seem likely also to take part.

A. A. U. sanction will be asked for the contest.
